Authorization

I wish to set up an automatic payment to my loan from my account every month. I understand that it will continue until revoked in writing by CCCU, myself, or until the loan is paid in full. I accept the responsibility of having funds in my account to cover these payments.

I further understand that there will be a \$15.00 fee for each returned item on loan payments if the funds are not in the account. If this occurs three times within six months, the transfer will automatically be revoked.
