Protecting Your Information. You acknowledge that you will be able to retrieve the Communications delivered hereunder by email [and access Documents to be executed electronically by email]. You acknowledge that if you disclose your email and password to anyone else or if your email password is lost or stolen, third parties may be able to access your Documents and Communications. You agree to keep your password in a place of safekeeping, and you agree that the security of your password will be your responsibility at all times

Your Computer Security. You understand and agree that we do not guaranty the security of any Document or Communication electronically provided to you and that we shall not be responsible for any unauthorized third-party interception or use thereof. You acknowledge we are unable to determine whether any part of your Computer system, computer, mobile, or other electronic device, system network, software, application, app, browser, internet connection, or other parts used to access the service (collectively your “Computer System”) has been infected with malicious software or compromised by unauthorized individuals. You are responsible for keeping current virus protection to protect your Computer System, and for regularly scanning your Computer System for spyware or other malware. We are not responsible for any losses, errors, failures or malfunctions arising in connection with any unauthorized intrusion into your Computer System, unless we had actual prior knowledge thereof.

Our Security Measures. We will use commercially reasonable measures, consistent with industry standards, to maintain a reasonable level of security over the information contained in the electronically delivered Documents and Communications. You understand that these industry standards are dynamic and constantly developing. By executing this Agreement, you acknowledge and understand that there are risks to electronic delivery of Documents and Communications, including, but not limited to, delay or failure of delivery due to technical difficulties, weather conditions, matters beyond our reasonable control or interception and/or alteration of such Documents and Communications by third parties in spite of our commercially reasonable security measures.

By signing this Agreement, you represent that you have considered our security measures and find that our security measures are commercially reasonable. In reaching this conclusion, you have considered the historical and potential future content of your account Documents and Communications, the risks associated with electronic delivery of Documents and Communications, and our security measures. If you conclude that our security measures cease to be commercially reasonable in the future, you must terminate this agreement immediately in accordance with the steps listed herein.

Acknowledgement: You understand and agree that your electronic signature executed in conjunction with your electronic submission of this application shall be legally binding and such transaction shall be considered authorized by you.
